Step 4: Enter your information and click register.

The screenshot shows the Schoology registration interface. At the top, there is a dark header with the Schoology logo. Below it, a white registration box is centered on a light gray background. The box is titled "Sign up for Schoology" and includes a "Back" link. The form contains several input fields: "First Name", "Last Name", "Email or Username", "Password", and "Confirm Password". There are two checkboxes: one for "Subscribe me to the Schoology Exchange blog" (checked) and another for "By clicking Register, you are agreeing to our Privacy Policy and Terms of Use" (unchecked). A blue "Register" button is at the bottom of the form. At the very bottom of the page, there is a footer with the text "Schoology © 2018 · Privacy Policy · Terms of Use · Help Center".

Step 5: If you have more than one child, click Add Child and enter the parent code for this child in PowerSchool.

The screenshot displays the Schoology parent dashboard for Oakridge High School. The top navigation bar includes "Home", "Courses", "Groups", and "Resources". On the left, there is a sidebar with "Recent Activity", "Calendar", and "Messages". The main content area shows "Recent Activity" with a "Post: Event" and a message "There are no posts". A "Your Parent Account" pop-up window is visible, stating "It's easy to view your children's activity on Schoology. Click on your child's name to browse Schoology as a parent." and has a "Close" button. On the right, a user profile dropdown menu is open, showing the school name "Oakridge High School" and a list of options: "Add Child", "Account Settings", "Notifications", "Privacy", "Recycle Bin", and "Logout". A blue arrow points to the "Add Child" option. The footer contains "Support · Schoology Blog · Privacy Policy · Terms of Use" on the left, "POWERED BY schoology" in the center, and "English · Schoology © 2018" on the right.

Step 6: You can switch child views at the top left of the screen.

Step 7: To view the course of multiple children, click Courses and select child.

Step 8: You can view your child's group activity under the Groups tab.
